Where will I study?

Course code	Location	Duration
CKCA	Aberdeen City Campus	1 Year
CNCN	Fraserburgh Campus	1 Year

Welcome from Director of Curriculum

As the current Director of Curriculum, I would like to welcome you to the School of Creative Industries, Computing and Business Enterprise at North East Scotland College. This school encompasses the Creative Arts, Music, Drama, Media, ESOL, Business Enterprise and Computing and IT subjects – all of which offer interesting and exciting opportunities for students to progress and achieve success in their future careers.

Through work with external clients and experienced, knowledgeable teaching teams, our students will benefit from industry-focused, high quality learning. This means that on completion of your course, you are confident and capable when it comes to entering the workplace, or progressing towards further study. We pride ourselves in offering educational opportunities for all, whether you are starting at introductory level or joining one of our advanced courses. On behalf of the entire teaching team, we are delighted to have you join – or consider joining – one of our courses.

Susan Betty, Director of Curriculum for Creative Industries, Computing and Business Enterprise

Introduction to the course

This course is perfect for those looking to enter the accountancy profession as it will help you to build a well-rounded, valuable skill set which meets the standards required by employers. It is designed to provide you with a solid foundation (particularly in computational work) in the concepts and processes used in financial and management accounting.

Entry requirements

Applicants should have two Higher qualifications at grade C or above, preferably in English and one other subject. Applicants should also have a National 5, Intermediate 2 or Standard Grade Credit level qualification (at a minimum) in Maths.

Those who have successfully completed the NC Business course are also encouraged to apply.

What subjects will I be studying?

You will develop practical skills in recording financial information and preparing/interpreting final accounts. You will also study cost and management accounting and use computing software such as Excel and SAGE. In addition you will explore business law and the management of people and organisations.

Subjects studied will include:

- Recording Financial Information
- Preparing Final Accounts
- Cost Accounting
- Business Law an Introduction
- Managing People and Organisations

Assessment methods

On this course you will be assessed continually, throughout the year. You will also complete the Graded Unit 1 examination, which is held towards the end of the session.

Course progression

Students who successfully complete this course may progress to the HND Accounting course.

University links

North East Scotland College has links with a wide range of universities from across Scotland. Every one of our HND level courses has articulation opportunities where you can progress from your chosen course to a related university degree. This is an excellent option for those who may want to come to College at an introductory level, and then work their way towards degree level study.

[Find out more about our associate universities in the University Links section of the NESCol website.](#)

University progression

If you choose to complete the HND in Accounting you may consider progressing towards a University Degree. HND Accounting students may apply to enter year 3 at one of our associate universities.

Guidance and Support

Guidance

You will be assigned a Guidance Tutor when you are enrolled on the course. They will act as your primary contact should you have any issues, personal or involving your course, whilst at North East Scotland College. They will support you for the duration of your course along with relevant teaching staff. For assignments and assessments you will be provided with detailed feedback where possible, allowing you to pinpoint areas of good performance and areas that may need improvement - essential for your educational development.

[View our Guidance Tutor contact information.](#)

Support

Our Student Services team are dedicated to helping all students with a range of factors that might affect your time at College. They can help you with funding queries, careers advice, learning support and more!

[Visit the Support section of our website for more information](#)

Learning Resources

The College has a number of excellent learning resources available to assist and support the delivery of our classes across full-time, part-time and distance learning courses. They aim to enhance the quality of your learning experience.

[Find out more about NESCol learning resources](#)

Library+

Our Library+ sites – at the Aberdeen City, Aberdeen Altens and Fraserburgh Campuses – provide all students with access to books, journals, newspapers, core skills materials and more! You'll also find laptop friendly areas, private study/research booths and printers, scanners and photocopiers.
