

NC Child, Health and Social Care (SCQF Level 5)

Where will I study?

Course code	Location	Duration
DAOCS	Fraserburgh Campus	1 Year

Welcome from Director of Curriculum

As the current Director of Curriculum, I would like to welcome you to the School of Service Industries at North East Scotland College. The School of Service Industries includes Child, Health & Social Care, Hair, Beauty & Sport, Hospitality, Social Sciences and Learning Opportunities.

This broad range of subjects has one common theme – they each offer interesting and exciting opportunities for students to progress and achieve success in their future. We are very fortunate in that our excellent teaching facilities allow each and every student to experience industry-focused, high quality learning. This means that on completion of your course, you are confident and capable when it comes to entering the workplace, or progressing towards further study. We pride ourselves in offering educational opportunities for all, whether you are starting at introductory level or joining one of our more advanced courses. On behalf of the entire teaching team, we are delighted to have you join – or consider joining – one of our courses.

Joan Thorne, Director of Curriculum for Service Industries

Introduction to the course

This course is primarily aimed at those who want to learn more about the health and social care sectors, and will explore the complexities of delivering effective care to a variety of service users. The subjects covered will teach you about the expectations and values in different care roles, and the range of professions and opportunities that might be available in your chosen field.

Overall the course is an excellent introduction to health and social care, and acts as excellent preparation for progression towards further study or employment.

Entry requirements

Applicants should have four National 4, Intermediate 1 or Standard Grade General level (Grade 3 or above) qualifications, and two National 5 qualifications (including English) at Grade C or above. Alternatively, applicants should have successfully completed a relevant course at SCQF Level 4.

Other qualifications and experience may be considered but the ability to work at SCQF Level 5 is essential. A genuine aptitude for working with people and good communication skills are essential.

What subjects will I be studying?

You will explore fundamental areas of child, health and social care – covering a range of important topics from

sociology and families in modern society to mental health, the human body and psychology. You will also build essential skills in communication, IT and numeracy.

Assessment methods

Assessment takes the form of projects, portfolios, presentations, practical tasks and closed-book assessments.

Dress code

Students should dress appropriately for practical, hands-on work, to allow participation in all activities. Students should present themselves at College in a professional manner appropriate for working in a care setting.

Course progression

On successful completion you can progress to the NC Health & Social Care (SCQF Level 6) course.

Useful information

Curriculum & Quality Manager(s):	Diane West Email: dwest@nescol.ac.uk

Guidance

All full-time students will have a designated Course Tutor and a Guidance Tutor. Your Course Tutor will act as your main key point of contact for all matters relating to your course and progress. Your Guidance Tutor will monitor your attendance, as well as deal with any personal matters you may want to discuss.

Guidance Tutors work closely with Course Tutors and other lecturing teams to ensure you have access to any support you need to ensure you successfully complete your course. There are various issues that may affect your learning whilst at College, so please talk to someone if you encounter any problems at all.

[Find out more about Guidance at NESCol](#)

Support

The College has trained advisers in place to help you with a range of factors that might affect your time at College.

They can help you with your application, funding queries, careers advice, learning support and more!

[Find out more about student support at NESCol](#)

Learning Resources

The College has a number of excellent learning resources available to assist and support the delivery of our classes across full-time, part-time and distance learning courses. They aim to enhance the quality of your learning experience.

Library+ and Digital Skills Space

Our Library+ sites at the Aberdeen City, Aberdeen Altens and Fraserburgh Campuses provide all students with access to books, journals, newspapers, core skills materials and more! You'll also find laptop friendly areas, private study/research booths and printers, scanners and photocopiers.

Our Digital Skills Space is a new modern and accessible facility where students can study and access key resources/support. It has replaced what was previously the IT Centre, and is located in the newly expanded Library+ at City Campus.
