

## **NC Child, Health & Social Care (Social Care Route)** *(SCQF Level 5)*

Full-time

### **Where will I study?**

<b>Course code</b>	<b>Location</b>	<b>Duration</b>
DPOC	Aberdeen City Campus	1 Year

### **Welcome from Director of Curriculum**

As the current Director of Curriculum, I would like to welcome you to the School of Service Industries at North East Scotland College. The School of Service Industries includes Child, Health & Social Care, Hair, Beauty & Sport, Hospitality, Social Sciences and Learning Opportunities.

This broad range of subjects has one common theme – they each offer interesting and exciting opportunities for students to progress and achieve success in their future. We are very fortunate in that our excellent teaching facilities allow each and every student to experience industry-focused, high quality learning. This means that on completion of your course, you are confident and capable when it comes to entering the workplace, or progressing towards further study. We pride ourselves in offering educational opportunities for all, whether you are starting at introductory level or joining one of our more advanced courses. On behalf of the entire teaching team, we are delighted to have you join – or consider joining – one of our courses.

**Joan Thorne, Director of Curriculum for Service Industries**

### **Introduction to the course**

This course is primarily aimed at those who want to explore different health and social care environments. Opportunities within the course will enable students to develop essential knowledge, understanding and transferable skills in the fields of child, health and social care. The course offers an introduction to the different sectors within health and social care, acting as excellent preparation for progression towards further study or employment.

### **Entry requirements**

Applicants should have four National 4, Intermediate 1 or Standard Grade General level (Grade 3 or above) qualifications, and two National 5 qualification (including English) at Grade C or above. Other qualifications and experience may be considered, but the ability to work at SCQF Level 5 is essential. A genuine interest in working with people and good communication skills are essential.

### **What subjects will I be studying?**

This course will explore a range of important topics including sociology and human development, values and principles in care, families in modern society and mental health issues. The course also develops core skills in IT, communication and numeracy. Subjects include:

- Values and Principles in Care
- Sociology for Care
- Psychology for Care
- Families in Modern Society
- Core Skills (IT, Communication and Numeracy)
- Mental Health Issues

The course covers the NC Child, Health & Social Care at Level 5 as well as a National 5 Care qualification.

## Assessment methods

Assessment takes the form of projects, portfolios, presentations, practical tasks and closed-book assessments.

## Dress code

Students should dress appropriately for practical, hands-on work, to allow participation in all activities. Students should present themselves at College in a professional manner appropriate for working in a care setting.

## Course progression

On successful completion students may progress to the NC Health & Social Care (Social Care Route) (SCQF Level 6) course.

## University links

North East Scotland College has links with a wide range of universities from across Scotland. Every one of our HND level courses has articulation opportunities where you could progress from your chosen course to a related university degree, subject to conditions. This is an excellent option for those who may want to come to College at an introductory level, and then work their way towards degree level study.

## Guidance

All full-time students will have a designated Course Tutor and a Guidance Tutor. Your Course Tutor will act as your main key point of contact for all matters relating to your course and progress. Your Guidance Tutor will monitor your attendance, as well as deal with any personal matters you may want to discuss.

Guidance Tutors work closely with Course Tutors and other lecturing teams to ensure you have access to any support you need to ensure you successfully complete your course. There are various issues that may affect your learning whilst at College, so please talk to someone if you encounter any problems at all.

## Support

The College has trained advisers in place to help you with a range of factors that might affect your time at College. They can help you with your application, funding queries, careers advice, learning support and more!

[Find out more about student support at NESCol](#)

## Learning Resources

The College has a number of excellent learning resources available to assist and support the delivery of our classes across full-time, part-time and distance learning courses. They aim to enhance the quality of your learning experience.

## Library+ and Digital Skills Space

Our Library+ sites at the Aberdeen City, Aberdeen Altens and Fraserburgh Campuses provide all students with access to books, journals, newspapers, core skills materials and more! You'll also find laptop friendly areas, private study/research booths and printers, scanners and photocopiers.

Our Digital Skills Space is a new modern and accessible facility where students can study and access key resources/support. It has replaced what was previously the IT Centre, and is located in the newly expanded Library+ at City Campus.
