

VRQ Level 3 Diploma in Beauty Therapy Techniques *(SCQF Level 6)*

Full-time

Where will I study?

| Course code | Location | Duration |
|-------------|--------------------|----------|
| DDQB3 | Fraserburgh Campus | 1 Year |

Welcome from Director of Curriculum

As the current Director of Curriculum, I would like to welcome you to the School of Service Industries at North East Scotland College. The School of Service Industries includes Child, Health & Social Care, Hair, Beauty & Sport, Hospitality, Social Sciences and Learning Opportunities.

This broad range of subjects has one common theme – they each offer interesting and exciting opportunities for students to progress and achieve success in their future. We are very fortunate in that our excellent teaching facilities allow each and every student to experience industry-focused, high quality learning. This means that on completion of your course, you are confident and capable when it comes to entering the workplace, or progressing towards further study. We pride ourselves in offering educational opportunities for all, whether you are starting at introductory level or joining one of our more advanced courses. On behalf of the entire teaching team, we are delighted to have you join – or consider joining – one of our courses.

Joan Thorne, Director of Curriculum for Service Industries

Introduction to the course

This course is based on the National Occupational Standards and is a preparation for work qualification. It is suitable for those who have successfully complete the VRQ Level 2 Diploma in Beauty Therapy or equivalent, and/or those who are already working in the industry but want to accredit their skills and knowledge. You will refine your techniques and approaches in a realistic work environment, giving you the skill-set required to pursue a successful career in beauty therapy.

Entry requirements

Applicants should have achieved the VRQ Level 2 Diploma in Beauty Therapy or an equivalent award, and have a minimum of three National 5, Intermediate 2 or Standard Grade Credit level qualifications, or appropriate life/work experience. Good communication skills, a willingness to learn new practical skills and working with the general public are essential qualities for this course. Essential skills will be developed throughout the programme.

What subjects will I be studying?

You will work in a realistic salon environment, and build on your existing knowledge and skills. Subjects include:

- Working with Colleagues within the Beauty Related Industries

- Health & Safety Practice in the Salon
- Client Care and Communication in Beauty Related Industries
- Promoting and Selling Products and Services to Clients
- Providing Body Massage
- Providing Face and Body Electrotherapy Treatments
- Providing Stone Therapy Massage
- Self-Tanning
- Applying Individual Permanent Lashes
- Micro-Dermabrasion
- Maintaining Personal Health and Wellbeing
- Work Experience INT 2

Assessment methods

On this course you will be assessed throughout the year. You will be required to complete a number of formative assessments for each of the practical units prior to sitting your final summative assessment. Your summative assessments for practical and theory units will be pre-arranged through discussion with teaching staff, and will take the form of online, written or oral tests, and practical observations. They are graded pass, merit or distinction.

Dress code

You will be required to wear a designated uniform in all practical classes. Full details will be provided at pre-entry guidance sessions.

Equipment

You are required to purchase the designated kit, textbook and uniform.

Employment

Employment opportunities are available in spas, health clinics, beauty salons and hotels. You will also find there are opportunities in the creative industries, where you could pursue work in areas such as TV and theatre.

Useful information

| Curriculum & Quality Manager(s): | Linda Murray Email: lmurray@nescol.ac.uk |

Guidance

All full-time students will have a designated Course Tutor and a Guidance Tutor. Your Course Tutor will act as your main key point of contact for all matters relating to your course and progress. Your Guidance Tutor will monitor your attendance, as well as deal with any personal matters you may want to discuss.

Guidance Tutors work closely with Course Tutors and other lecturing teams to ensure you have access to any support you need to ensure you successfully complete your course. There are various issues that may affect your learning whilst at College, so please talk to someone if you encounter any problems at all.

Support

The College has trained advisers in place to help you with a range of factors that might affect your time at College.

They can help you with your application, funding queries, careers advice, learning support and more!

Library+ and Digital Skills Space

Our Library+ sites at the Aberdeen City, Aberdeen Altens and Fraserburgh Campuses provide all students with access to books, journals, newspapers, core skills materials and more! You'll also find laptop friendly areas, private study/research booths and printers, scanners and photocopiers.

Our Digital Skills Space is a new modern and accessible facility where students can study and access key resources/support. It has replaced what was previously the IT Centre, and is located in the newly expanded Library+ at City Campus.
