MEET THE TEAM

Welcome to Aberdeen City Campus. Our curriculum teams and our Student Advice Centre staff are ready to chat to you about courses, entry levels, progression, funding, support and much more.

Aberdeen City is our largest campus and is split into Tower Block (main building), East Block and South Block. All buildings have both lift and stair access to all floors. We hope our signposting has made it easy to find your way around but if you need any help please just ask a member of staff and we'll be happy to assist.

If you want to grab a drink or bite to eat while you visit, our Dino's Café will be open for the duration of the event. You can find Dino's on the lower ground floor of the Tower Block beside the Loch Street Welcome Desk.

There is no fire alarm test planned for today. Please make your way to the nearest fire exit if the alarm is activated.
