

HND Textiles *(SCQF Level 8)*

Full-time

Where can I study?

Location	Duration	Course code
Aberdeen City Campus	2 Years	PADS

Introduction to the course

This course provides you with the opportunity to acquire up-to-date skills and knowledge in order to enhance your professional prospects. The broad base of the course means that candidates can progress to university level study in a related subject, or pursue a range of career routes within fashion and textiles.

You will build on your understanding of the fashion and textiles industry, whilst developing your own unique individual style and vision - essential in your progression towards study at university level, or employment.

Entry requirements

Applicants should have a minimum of two passes at Higher level, one of which should be Higher Art. Applicants should show an interest in and aptitude for the subject, or have successfully completed an appropriate non-advanced course.

A Foundation Apprenticeship in any subject area will be considered equivalent as one unrelated Higher for entry to this course.

For those returning to education, life skills and experience in the workplace may allow entry, subject to interview.

What subjects will I be studying?

You will learn to design and manufacture fashion garments using a range of different materials and techniques, whilst working in a creative environment which closely replicates industry standards. The topics covered will allow you to develop strong original concepts based on your study of design semantics, surface decoration for textiles, professional design practice and observational drawing. The course also includes a creative project for artists and designers, where you can explore your individuality in textile techniques.

Subjects include:

- Textile Techniques
- Surface Decoration for Textiles
- Design Semantics
- Creative Project for Artists & Designers
- Professional Design Practice
- Observational Drawing
- Designing and Producing Fashion Garments

Assessment methods

On this course you will be assessed continually throughout the year. You will review, discuss and present work to teaching staff and peers, and also conduct a self-evaluation. At the end of the teaching block you will take part in a summative assessment, which will involve presenting your work to a staff panel.

Dress code

Students should dress appropriately for practical, hands-on work, as you will be working in a creative environment and using a range of different materials and equipment.

Equipment

You must supply your own portfolio case. A list of suggested materials will be sent to you before the start of the course.

Course progression

Students successfully completing this course may progress towards a number of related degree programmes at one of our associate universities.

University links

North East Scotland College has links with a wide range of universities from across Scotland. Every one of our HND level courses has articulation opportunities where you could progress from your chosen course to a related university degree, subject to conditions. This is an excellent option for those who may want to come to College at an introductory level, and then work their way towards degree level study.

[Find out more about our associate universities](#)

University progression

Robert Gordon University (RGU)

- BA (Hons) Fashion & Textile Design year 3. Subject to conditions.

University of the Highlands & Islands (UHI)

- BSc (Hons) Contemporary Textiles year 3 (Shetland College UHI). Subject to conditions.

Employment

Career opportunities are available in fashion and textiles design, clothing manufacture or in work as an independent designer. Some students may even wish to start up their own business in textiles, fashion or interiors.

Useful contacts

Head of Faculty:

Elaine Makein

Head of Faculty, Creative Industries, Aberdeen City Campus

Academic Tutor

Once you come to College you will be allocated an academic tutor, who will be your initial point of contact. You will meet your

tutor at least once a term during tutor hour — they are also the person to go to for the following:

- **Induction:** You will be invited to come in the week before your course starts for your induction. Your tutor will cover key aspects of life at the College to make sure you are well prepared for your NESCol experience.
- **Initial support:** Your tutor is the first point of contact for academic, personal and social support.
- **Attendance:** Your attendance and progress while you are at college, will be monitored by your tutor.
- **Additional support needs:** If you have indicated that you have additional learning or support needs, speak to your tutor who will refer you to the Student Advice and Support team for needs assessment as soon as practically possible.
- **Transitions:** your tutor will keep you informed of the many activities and events organised by the College to support you with career choices, employability, enterprise and articulation guidance and advice.

Student Advice Centre

The Student Advice Centre is your one stop shop for all information and support during your time at NESCol. Staff based within the centre provide impartial and confidential information and advice on a range of issues including:

- Applications and course advice
- Funding and money management
- Careers, employability and enterprise
- Transitions to college and university
- Key Skills and Study Skills support
- Additional Support for Learning
- Assistive technologies
- Mental health and wellbeing advice
- Care Experienced and Corporate Parenting
- Tier 4 and international admissions

Learning Resources

My NESCol

My NESCol is the College's student web portal that will provide you with on-demand access to all of the links, news and services that you will use once you have enrolled. It's accessible via any computer, and as an Android or Apple app. It's easy to use, and you can even receive important alerts on your device!

Blackboard

Blackboard is the Virtual Learning Environment system used in the College, where you can find a host of useful information and access your courses online. It will be the main platform that your lecturers will use to make resources available to you including interactive materials, videos, assessments and feedback.

IT HelpZone

The IT HelpZones are run by students, for students, and there are helpdesks located in main social areas at the Aberdeen and Fraserburgh Campuses, and a dedicated helpline at our Altens Campus. You can drop in, email or telephone for assistance.

Library+

Each Library offers thousands of resources for study, including books, journals, e-books, e-journals and magazines — all relevant to the courses on offer at the campus in which they are situated. They also offer quiet, silent, individual, and group study facilities.

Bring Your Own Device (BYOD)

NESCol believes that your learning and teaching experience at College can be enhanced significantly by use of a mobile device, such as a tablet or a laptop. For this reason, many students are required to bring a device with them to College. This initiative is known as Bring Your Own Device (BYOD) and its aim is to provide learners with a more bespoke and student-centred learning experience.

Digital Skills Space

Located within each Library Plus facility you will find a dedicated Digital Skills Space, featuring Bring Your Own Device (BYOD) workspaces and dedicated desktop PC work areas. These spaces are also used to deliver core IT teaching, drop-in IT support and scheduled digital skills workshops. You can also use these spaces for flexible access to PCs during Library+ opening hours.

College Calendar

Have a look at our [College Calendar](#) for further information on key dates throughout the year.
