

NC Fashion Design & Manufacture *(SCQF Level 6)*

Full-time

Where can I study?

Location	Duration	Course code
Aberdeen City Campus	1 Year	PAODM

Introduction to the course

This course will encourage you to develop an inspirational approach to research, design and production of fashion and textile pieces from concept to final realisation. Knowledge and skills relating to textile design for garment decoration are also developed by use of drawings, mixed media and surface application. This course is suitable for school leavers who wish to learn more about a career in fashion and/or garment manufacture, or those who have practical skills and fashion design experience who wish to gain a formal qualification.

Entry requirements

Applicants should have at least National 5, Intermediate 2 or Standard Grade Credit qualifications in Art & Design and English. Alternatively applicants should have relevant experience in fashion design and manufacture.

What subjects will I be studying?

Subjects include:

- Fashion Design
- Fashion Forecasting
- Digital Fashion
- Industrial Sewing Machine Skills
- Drawing Skills (life and analytical)
- Develop & Manufacture Skirts
- Garment Pattern Construction
- Analytical Drawing
- Surface Decoration
- Creative Textile Design

Assessment methods

On this course you will be assessed continually throughout the year. Students will be given an opportunity to review, discuss and present their work to teaching staff and peers, and complete a self-evaluation. Summative Assessment will take place at the end of the teaching block, when students present their work to a staff panel.

Dress code

Students should dress appropriately for practical, hands-on work, as you will be working in a creative environment and using a range of different materials and equipment.

Equipment

You must supply your own portfolio case. A list of suggested materials will be sent to you before the start of the course.

Course progression

Students who successfully complete this course could progress to the HND Textiles or HND Fashion Business course.

University links

North East Scotland College has links with a wide range of universities from across Scotland. Every one of our HND level courses has articulation opportunities where you could progress from your chosen course to a related university degree, subject to conditions. This is an excellent option for those who may want to come to College at an introductory level, and then work their way towards degree level study.

University progression

If you choose to progress towards HND level study on completion of your NC, you may then want to consider a degree in fashion, textiles, costume, illustration or accessory design at one of our associate universities. Depending on the university, you could enter in to year 2 or year 3 of a related course.

Academic Tutor

Once you come to College you will be allocated an academic tutor, who will be your initial point of contact. You will meet your tutor at least once a term during tutor hour — they are also the person to go to for the following:

- **Induction:** You will be invited to come in the week before your course starts for your induction. Your tutor will cover key aspects of life at the College to make sure you are well prepared for your NESCol experience.
- **Initial support:** Your tutor is the first point of contact for academic, personal and social support.
- **Attendance:** Your attendance and progress while you are at college, will be monitored by your tutor.
- **Additional support needs:** If you have indicated that you have additional learning or support needs, speak to your tutor who will refer you to the Student Advice and Support team for needs assessment as soon as practically possible.
- **Transitions:** your tutor will keep you informed of the many activities and events organised by the College to support you with career choices, employability, enterprise and articulation guidance and advice.

Student Advice Centre

The Student Advice Centre is your one stop shop for all information and support during your time at NESCol. Staff based within the centre provide impartial and confidential information and advice on a range of issues including:

- Applications and course advice
- Funding and money management
- Careers, employability and enterprise
- Transitions to college and university
- Key Skills and Study Skills support
- Additional Support for Learning
- Assistive technologies
- Mental health and wellbeing advice
- Care Experienced and Corporate Parenting
- Tier 4 and international admissions

Learning Resources

My NESCol

My NESCol is the College's student web portal that will provide you with on-demand access to all of the links, news and services that you will use once you have enrolled. It's accessible via any computer, and as an Android or Apple app. It's easy to use, and you can even receive important alerts on your device!

Blackboard

Blackboard is the Virtual Learning Environment system used in the College, where you can find a host of useful information and access your courses online. It will be the main platform that your lecturers will use to make resources available to you including interactive materials, videos, assessments and feedback.

IT HelpZone

The IT HelpZones are run by students, for students, and there are helpdesks located in main social areas at the Aberdeen and Fraserburgh Campuses, and a dedicated helpline at our Altens Campus. You can drop in, email or telephone for assistance.

Library+

Each Library offers thousands of resources for study, including books, journals, e-books, e-journals and magazines — all relevant to the courses on offer at the campus in which they are situated. They also offer quiet, silent, individual, and group study facilities.

Bring Your Own Device (BYOD)

NESCol believes that your learning and teaching experience at College can be enhanced significantly by use of a mobile device, such as a tablet or a laptop. For this reason, many students are required to bring a device with them to College. This initiative is known as Bring Your Own Device (BYOD) and its aim is to provide learners with a more bespoke and student-centred learning experience.

Digital Skills Space

Located within each Library Plus facility you will find a dedicated Digital Skills Space, featuring Bring Your Own Device (BYOD) workspaces and dedicated desktop PC work areas. These spaces are also used to deliver core IT teaching, drop-in IT support and scheduled digital skills workshops. You can also use these spaces for flexible access to PCs during Library+ opening hours.
