

NCGA Business *(SCQF Level 5)*

Full-time

Where will I study?

Course code	Location	Duration
CHOS	Aberdeen City Campus	1 Year
CNOS	Fraserburgh Campus	1 Year

Welcome from Director of Curriculum

As the current Director of Curriculum, I would like to welcome you to the School of Creative Industries, Computing and Business Enterprise at North East Scotland College. This school encompasses the Creative Arts, Music, Drama, Media, ESOL, Business Enterprise and Computing and IT subjects – all of which offer interesting and exciting opportunities for students to progress and achieve success in their future careers.

Through work with external clients and experienced, knowledgeable teaching teams, our students will benefit from industry-focused, high quality learning. This means that on completion of your course, you are confident and capable when it comes to entering the workplace, or progressing towards further study. We pride ourselves in offering educational opportunities for all, whether you are starting at introductory level or joining one of our advanced courses. On behalf of the entire teaching team, we are delighted to have you join – or consider joining – one of our courses.

Susan Betty, Director of Curriculum for Creative Industries, Computing and Business Enterprise

Introduction to the course

This course is aimed at those who want to establish a career in the ever-changing world of business. The topics covered will give you a detailed insight into the different factors that influence modern-day business, and thoroughly prepare you for further study at college/university or direct entry into employment.

Entry requirements

Applicants should have a pass in Business, Administration and/or English at National 5 level or equivalent. Applicants should have knowledge and skills relating to business and at the very least, should have Core Skills Communication at SCQF Level 5.

What subjects will I be studying?

You will learn about the different internal and external factors which can impact the way in which a business performs. Subjects include:

- Accounting

- Economics
- Enterprise
- Marketing
- Recording of Cash Transactions
- PC Passport: IT Software - Spreadsheet & Database
- PC Passport: IT Software - Word Processing & Presenting Information
- Communications
- Enterprise Activity
- Marketing: Basic Principles
- Skills for Customer Care
- Market Operations and the Scottish Economy
- Management Accounting: An Introduction
- The UK Economy
- Business Enterprise
- Business Decision Areas: Marketing and Operations
- Business Decision Areas: Finance and Human Resource Management
- ECDL
- Customer Care
- Human Resource Management
- Law

Assessment methods

On this course you will be assessed continually, throughout the year. You will review, discuss and present work to teaching staff and peers, and also conduct a self-evaluation.

Dress code

Students should dress appropriately for College and preparation for working in a business environment.

Equipment

You must supply your own notebooks and writing materials. You will also require a memory/USB stick.

Course progression

Students who successfully complete this course may progress to:

- HNC Administration & Information Technology
- HNC Business
- HNC Accounting
- HND Legal Services

University links

North East Scotland College has links with a wide range of universities from across Scotland. Every one of our HND level courses has articulation opportunities where you could progress from your chosen course to a related university degree, subject to conditions. This is an excellent option for those who may want to come to College at an introductory level, and then work their way towards degree level study.

[Find out more about our associate universities](#)

University progression

If you choose to complete an HNC or HND course after completing your NC, you may want to then consider moving on to a university degree. Depending on the university, you could enter in to year 2 or 3 of a related course.

Useful information

Faculty:	Business Enterprise

Guidance

All full-time students will have a designated Course Tutor and a Guidance Tutor. Your Course Tutor will act as your main key point of contact for all matters relating to your course and progress. Your Guidance Tutor will monitor your attendance, as well as deal with any personal matters you may want to discuss.

Guidance Tutors work closely with Course Tutors and other lecturing teams to ensure you have access to any support you need to ensure you successfully complete your course. There are various issues that may affect your learning whilst at College, so please talk to someone if you encounter any problems at all.

[Find out more about Guidance at NESCol](#)

Support

The College has trained advisers in place to help you with a range of factors that might affect your time at College.

They can help you with your application, funding queries, careers advice, learning support and more!

[Find out more about student support at NESCol](#)

Learning Resources

The College has a number of excellent learning resources available to assist and support the delivery of our classes across full-time, part-time and distance learning courses. They aim to enhance the quality of your learning experience.

Library+ and Digital Skills Space

Our Library+ sites at the Aberdeen City, Aberdeen Altens and Fraserburgh Campuses provide all students with access to books, journals, newspapers, core skills materials and more! You'll also find laptop friendly areas, private study/research booths and printers, scanners and photocopiers.

Our Digital Skills Space is a new modern and accessible facility where students can study and access key resources/support. It has replaced what was previously the IT Centre, and is located in the newly expanded Library+ at City Campus.
