Full-time

Where can I study?

Location	Duration	Course code
Aberdeen City Campus	1 Year	QJOZ
Fraserburgh Campus	1 Year	RKOZ

Introduction to the course

This course acts as a stepping stone for moving on to further study at College or employment. It is primarily aimed at those who have a lack of qualifications from school or those who want to return to education, and will allow you to develop the confidence and skills needed for successful progression.

Entry requirements

This course has no formal entry requirements, but applicants will be invited to an informal information session.

What subjects will I be studying?

Your core skills will be developed throughout the course through classroom learning, work experience and in the completion of a National Progression Award (NPA) in Enterprise and Employability. You will also study core skills (Communication, Numeracy & ICT) at National 4/5 and other subjects including Scottish Studies and Socialization. Subjects include:

- Core Skills: Communication and Numeracy
- Personal Development
- Enterprise and Working with Others
- Understanding Human Behaviour and Society
- Employability Skills

Assessment methods

On this course you will be assessed continually, throughout the year. Assessment is mainly carried out through open-book assessments.

Course progression

Students who successfully complete this course could progress to most introductory courses at NESCol.

University progression

You cannot progress to university directly from this course. However, this course can act as a starting point for progression to non-advanced levels of study to HND level study, which can then offer progression to university for successful candidates.

Academic Tutor

Once you come to College you will be allocated an academic tutor, who will be your initial point of contact. You will meet your tutor at least once a term during tutor hour — they are also the person to go to for the following:

- **Induction:** You will be invited to come in the week before your course starts for your induction. Your tutor will cover key aspects of life at the College to make sure you are well prepared for your NESCol experience.
- **Initial support:** Your tutor is the first point of contact for academic, personal and social support.
- **Attendance:** Your attendance and progress while you are at college, will be monitored by your tutor.
- **Additional support needs:** If you have indicated that you have additional learning or support needs, speak to your tutor who will refer you to the Student Advice and Support team for needs assessment as soon as practically possible.
- **Transitions:** your tutor will keep you informed of the many activities and events organised by the College to support you with career choices, employability, enterprise and articulation guidance and advice.

Student Advice Centre

The Student Advice Centre is your one stop shop for all information and support during your time at NESCol. Staff based within the centre provide impartial and confidential information and advice on a range of issues including:

- Applications and course advice
- Funding and money management
- Careers, employability and enterprise
- Transitions to college and university
- Key Skills and Study Skills support
- Additional Support for Learning
- Assistive technologies
- Mental health and wellbeing advice
- Care Experienced and Corporate Parenting
- Tier 4 and international admissions

Learning Resources

My NESCol

My NESCol is the College's student web portal that will provide you with on-demand access to all of the links, news and services that you will use once you have enrolled. It's accessible via any computer, and as an Android or Apple app. It's easy to

use, and you can even receive important alerts on your device!

Blackboard

Blackboard is the Virtual Learning Environment system used in the College, where you can find a host of useful information and access your courses online. It will be the main platform that your lecturers will use to make resources available to you including interactive materials, videos, assessments and feedback.

IT HelpZone

The IT HelpZones are run by students, for students, and there are helpdesks located in main social areas at the Aberdeen and Fraserburgh Campuses, and a dedicated helpline at our Altens Campus. You can drop in, email or telephone for assistance.

Library+

Each Library offers thousands of resources for study, including books, journals, e-books, e-journals and magazines — all relevant to the courses on offer at the campus in which they are situated. They also offer quiet, silent, individual, and group study facilities.

Bring Your Own Device (BYOD)

NESCol believes that your learning and teaching experience at College can be enhanced significantly by use of a mobile device, such as a tablet or a laptop. For this reason, many students are required to bring a device with them to College. This initiative is known as Bring Your Own Device (BYOD) and its aim is to provide learners with a more bespoke and student-centred learning experience.

Digital Skills Space

Located within each Library Plus facility you will find a dedicated Digital Skills Space, featuring Bring Your Own Device (BYOD) workspaces and dedicated desktop PC work areas. These spaces are also used to deliver core IT teaching, drop-in IT support and scheduled digital skills workshops. You can also use these spaces for flexible access to PCs during Library+ opening hours.
