Where to report to on arrival

Full-time students

Students should normally report to reception upon arrival. You will find reception located just inside the main entrance of the building, located in an open area between the Symposium Café and the Academy itself.

Part-time students

If you are attending a part-time course at the Scottish Maritime Academy, you should report to the Reception area on arrival. A member of staff will direct you to the classroom from there. You should aim to arrive about 10-15 minutes before the class is due to start.

Parking

Full-time students

Students at the Scottish Maritime Academy are required to park in the large public car park on South Road, and access the SMA via steps leading down to centre. Only disabled parking is available at the Scottish Maritime Academy. Frequent public transport services run nearby.
Catering facilities

If you're studying or visiting the Scottish Maritime Academy you'll find an excellent Café available, serving up delicious meals and snacks.

What to bring to the first class

If you do need to bring any equipment or materials to your first class, you will receive instructions before the class starts. However, in most cases, you will be told by your tutor on the first class what to bring with you. You can also check on our website if anything is required by checking the course descriptor for your chosen course.
